From the PAC (Parent Advisory Council)

A Big Welcome Back from your PAC!

Another year is upon us, and the COF Parent Advisory Council is excited to get started on all of the new activities and programs planned for this school year. We hope that our COF parents can find time to take part in some of our fundraising projects for the school, as well as our community outreach projects. Please keep in mind that you don't need to attend the PAC meetings, to be a part of the PAC. We understand that it is difficult to add new obligations to your schedule....but even the smallest amount of time volunteered is a big help toward achieving our goals.

The establishment of the PAC, is a fulfillment required by NAEYC for COF's elite accreditation. This accreditation also requires top teaching standards, and maintaining an ever improving environment for our children to thrive in.

Keep your eyes open for a letter from the PAC with our calendar of events and details about who we are and what we do! **New class representatives for each class are needed.**

See you soon—Your 2011-2012 PAC Co-Chairs:

*During the month of October we will be having Parent-Teacher conferences. Please look for the sign up sheets. School will remain open for these fall conferences. We hope that this will accommodate our working parents better.
